

# **Lenten Project Food Collection**

**Our Sunday School is still collecting non-perishable food items to take the Homlesburg UMC King's Kitchen/Food Bank.**

**We make up family sized bags and keep them here for local emergencies. The remainder we send to Holmesburg who send their clients home on Fridays with food for the weekends when they are not in operation.**

**Times are hard for many people these days. If you have a need, or know of someone with a need for food all you need do is ask.**

**Philabundance is the main operation in our city for food banks and by calling**

**1-800-319-3663**

**You can enter your zip code at the prompt and they will give you a list of food banks in your area so have you pencil and paper ready!**
